# TOUCHSCREEN CONTROLS

TAP

Tap screen shortly

\*PlayStation®TV system is supported.

# TITLE MENU

## NEW GAME

Start the game from the beginning.

# CONTINUE

Continue the game from your last save.

#### CONFIG

View and adjust game settings.

#### MENU SCREEN

#### ITEM

View items currently in possession.

#### STATUS

View character status.

Change character's equipment and skill.

#### PARTY

Adjust party members' formation.

#### LIBRARY

View current game stats and various game information.

#### SYSTEM

Save or load game, enter config menu, or return to the title screen.

#### **WORLD MAP**

#### CHIRPER

Check these often since they can sometimes trigger events or provide items.

#### GRAND LIBRARY

Shop ..... Purchase and sell items here.

Mission ..... Select and report on missions.

Class Change .... Change the character's class.

Library ..... View game settings and various game information.

Archive ..... View event gallery and play sounds.

Time Warp ..... Travel through time to different eras.

#### ACROSS THE ERAS

Dungeons ..... Enter dungeons as they are available through their respective era's World Map.

#### **HOW TO PLAY**

Select a mission from the Grand Library.

There are some missions that will advance the story upon their completion.

If you select an "EVENT symbol" at the Grand Library (or within an era's World Map) an event will play.

If you approach an event symbol in a dungeon, the event will play automatically.

# PLAYSTATION®VITA CARD PRECAUTIONS

- Keep the PS Vita game card out of the reach of small children to help prevent accidental swallowing.
- This game card is for use only with the PlayStation®Vita system.
   Use of this game card with other devices may damage the device or the game card.
- Do not touch the game card terminals with your hands or with metal objects.
- Do not allow the game card to come into contact with liquids. Do not bend or drop the game card or otherwise expose it to strong physical impact.
- Never disassemble or modify the game card.

# PLAYSTATION®VITA CARD PRECAUTIONS

Do not use or store the game card in the following locations or under the following conditions:

- In a car with the windows closed (particularly in summer)/in direct sunlight/near heat sources
- In high humidity or corrosive environments.
- Be sure to insert the game card in the proper orientation.

#### The data on the game card may be lost or corrupted in the following situations:

- If the game card is removed from the system or if the system power is turned off while data is being read from or written to the game card.
- If the game card is used where it can be affected by static electricity or electrical noise.

If, for any reason, data loss or corruption occurs, it is not possible to recover the data. Backing up data regularly is recommended. Sony Interactive Entertainment Inc. and its subsidiaries and affiliates will not be held liable for any damages or injury in the case of data loss or corruption.

# GAME CARD FCC NOTICE - PART 1

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation
- This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant
  to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful
  interference in a residential installation. This equipment generates, uses, and can radiate radio frequency
  energy and, if not installed and used in accordance with the instructions, may cause harmful interference
  to radio communications.

# GAME CARD FCC NOTICE - PART 2

- However, there is no guarantee that interference will not occur in a particular installation. If this equipment
  does cause harmful interference to radio or television reception, which can be determined by turning the
  equipment off and on, the user is encouraged to try to correct the interference by one or more of the
  following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

You are cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment.

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.
